

Project Title: „Talking Places Platform for Safeguarding and Sustainable Development of Intangible Cultural Heritage via Students' Participatory Activities”

Goals

- ✓ To develop an understanding of how culture and heritage interact with tourism and sustainability.
- ✓ To preserve a bridge between the past and the future by applying specific approaches in the present.
- ✓ To maintain ICH as the community identity and authenticity in the present and bestow them for the benefit of future generations.

Participants: Students and Academic Staff of BA Programs in Tourism and Architecture, International Black Sea University, Tbilisi, Georgia
Headed by Eka Devidze, **Leadership:** Lali Mikeladze, Nino Devidze, Saba Santeladze, Gela Santeladze
